**INSURANCE FACILITIES FOR ACCEO MEMBER CLUBS**

ACCEO has negotiated specialised insurance facilities for member clubs in respect of Public Liability and All Risks cover for club equipment

The policy has been arranged with a leading UK insurer so that we have the benefit of competitive premiums and total security.

To comply with the stringent requirements of the FCA, ACCEO has appointed an Insurance Broker to carry out the day to day administration of the scheme although our Insurance Officer is always available to deal with queries and any problems that might arise.

The policy has a common renewal date of 1<sup>st</sup> August and any clubs joining part way through the year pay a pro rata premium up to 31<sup>st</sup> July.

The premium rates are competitive consistent with security and service and arranging cover is by means of a simple declaration form which can be supplied on line or by post from ACCEO or the brokers.

If a claim is to be made; in the first instance contact Grove insurance as soon as possible after the event for advice as to how to proceed.

In addition to the above Group Insurances, Grove Insurance Services are able to arrange all types of insurance for individual members and special facilities have been set up for caravans and motor caravans.
