

Exclusively for single people who live alone without a partner we offer friendly companionship whilst camping all over the UK.

Membership is open to caravanners, motor caravanners and tenters.

One of our highest priorities is to make sure that no one is left out of anything that takes place on or off site at a meet unless they wish to be on their own. There is a get together most mornings where members will say what they are hoping to do for that day and invite other members to join them, it could be a trip to a National Trust property, visit or a beauty spot or local landmark or maybe just a trip into town for shopping, every one will be made welcome. Sometimes the group go out as a whole group; whilst at other times they will split into smaller groups of say 3 or 4.

So if you would like to continue with camping and want to meet people in similar circumstances to yourself, please do get in touch..
